

MILESTONE GOALS

Christian VIERI's (ITA) goal in Italy's 2-1 golden-goal defeat at the hands of Korea Republic on 18 June 2002 in Daejeon, Korea, was the 1900th goal scored in the history of the FIFA World Cup finals. The Italian striker scored the first goal of the match in the 18th minute to give his team the initial lead. Earlier in the tournament, Portugal's BETO was the man behind the 1800th goal in FIFA World Cup finals history, scoring his team's second goal in the 39th minute of their defeat to the USA - the first ever final competition match to see two own goals (JORGE COSTA (POR) 29th minute; AGOOS (USA) 71st minute).

Among the scorers of historical FIFA World Cup goals are illustrious names such as Angelo SCHIAVIO (ITA, 100th in 1934), Gerd MULLER (FRG, 800th in 1970), Jean-Pierre PAPIN (FRA, 1200th in 1986) and Gary LINEKER (ENG, 1300th also in 1986).
